

MBPAPA in collaboration with **Galeria Tonantzin** is sponsoring our first plein air festival! The paintout dates are **August 5-6**. The exhibition at the gallery will be from August 5-28. This is an opportunity to paint and exhibit in the historic Mission Town of San Juan Bautista during the busiest summer tourist season. Open to all MBPAPA members.

You are invited to go ahead of time familiarize yourself with the area. On the first **Saturday** of each month the **Historical Society** has members dressed in vintage early California garb, providing you with a good opportunity to do a painting for pre-show consideration..
